Hello Fellow Civitans and Visitors to the Valley District Civitan Website:

I like to give a BIG Salute to our Webmaster, Charles Weir, thanks Charles a beautiful job. I have often asked myself what is the primary purpose of a website? It could mean many things pending the owner of said website. I look at the Valley District Website to serve a dual purpose, first to provide information to current and potential members and second to promote Civitan International and the Valley District.

I hope your holidays were the best. This time of year the weather is very unpredictable, you can experience rain, snow, ice or tornadoes all within the same hour, therefore be patient and all will be well.

Monday January 18th the country will celebrate Martin Luther King Day. The United States had the forethought to recognize and commemorate a true leader. Many States recognize this holiday, therefore develop and implement a project in his memory.

For the Website to be most effective we need all the Valley District Clubs to submit information on their activities and fundraisers your club's promoting.

The Valley District is always hoping to expand membership and New Club Development, please submit any ideas for growth activities to your Area Director, Bruce Myers or myself.

If you have any articles for the Voice of the Valley please contact Rose Merriwether, see your directory for mailing information.

Don't forget Clergy Appreciation the first week in February. Read the article in the Voice of the Valley for the story behind this beautiful program.

"To build good citizenship by providing a volunteer association of clubs dedicated to serving individual and community needs with an emphasis on a helping people with developmental disabilities."

Governor's Update

Junior Civitans has chartered three new clubs so far this year. I have said on many occasions "Junior Civitan the next BEST Civitan". Gena and Preston Albertia have the Valley District at the top of their game (See their report in this issue of the Voice of the Valley).

Special thanks to all officers and chairmen of the Valley District, You are the Key to make the World a Better Place.

Sincerely,

K. Steve Teasley
